SUBJECT: Operations Advisory Group Actions

At its meeting on 14 July 1976, the Operations Advisory Group took the following actions:

1. Glomar Explorer. It was decided that the Glomar Explorer should not be sold at this time. OMB will develop an appropriate plan to mothball the ship, preferably funded by a supplemental appropriation requested by a non-defense related agency. It was understood that the mothball program must be funded prior to 30 September 1976.
